

CENTRAL INTELLIGENCE AGENCY

OFFICE OF THE DEPUTY DIRECTOR

21 September 1982

NOTE FOR: Walt Elder
Executive Secretary, NFIB

FROM : EA/DDCI

After reading the attached, the DDCI guesses that the D/ICS "does not appreciate the functions of the various DCI committees." He would like you to task the TTIC to ask its COMEX subcommittee to do the assessment originally requested. He would remind anyone interested that much of the technology loss that has occurred to the Soviets has taken place through legal means.
